

Donation Guidelines

- All donated items **MUST be new**. Many children have illnesses that make them more susceptible to germs.
- Please do not gift wrap your donation – this makes it easier to match the items with the right child.
- Out of respect for the diversity of family beliefs, we do not distribute toys with a theme that may be perceived as violent (guns, swords, bows and arrows, etc.) or items with religious content.
- Media items must have a rating suitable for all age groups (G or PG movies, E video games).
- We cannot accept latex balloons, candy, or other food items.
- All fliers must be approved by Cook Children's prior to use.
- Due to privacy, safety, & infection control policies, **gifts may NOT be delivered directly to the patients.**
